

classes during Covid and Auntie Liza's online classes for the young K - L2+ students were delivered with great aplomb, EATW advocates authentic learning through physical

classless that are classic and most efficient. Come September Auntie Carol has a new timetable for L3 to IB / IGCSE /DSE while Auntie Liza will host a blended platform for hybrid classes from K2 to L2 on a separate timetable.

EATW prides on comprehensive lessons encompassing phonics; parts & figures of speech; grammar & writing; extensive reading; interview techniques and interactive oral sessions to capture the essence of our syllabus that forms a strong foundation in English literacy, speaking and listening. Our physical classes are capped at seven students per session, and they sure fill up fast. So don't miss out!

Eager to write effectively and expand your lexicon? Need tips to express succinctly? Look no further than our divine GW CLASSES with effective practices to unleash students' potential in creative, argumentative, persuasive, narrative and expository writing.

Constant demand for K classes has kept **Auntie Liza** very busy, especially in K3

where updated and comprehensive worksheets, vocabulary building & oral practice are in hand to ensure a smooth transition to P1's admittance to elite local & international primary schools.

Cool People Love Their English Class To equip senior students seeking quality education locally or abroad, our integrated materials allow them to apply the classic drills, mock papers, tips and strategies

for IB / DSE/ IGCSE / SAT with confidence. Students are taught to analyse; identify; organise; summarise and compose through a wide spectrum of lexicon and language structures for various linguistic applications and genres.

EATW delivers highly acclaimed and engaging lessons to mould learners become achievers. We are grateful for all

accolades but continue to strive for the better. Quoted verbatim from Word Perfect, "Good better best, let us never rest, till our good is better, and our better best."

We **CULTIVATE** & inspire kids what they don't

know and **ENRICH** & enlighten what they barely know, so we say

YES! We are A CUT ABOVE THE REST! Cheers, Auntie Carol & Auntie Liza
