EASTER CAMP 2016

Super Duper Fun Learning is HERE!

Dear parents,

I am Sandra, BA (Hons) and I would like to tell you all a little bit about myself.

I am a native English speaker and just returned to Hong Kong last year after over ten years of education in the UK. I have a huge passion in teaching, hanging out with, communicating and having fun with children! Since returning to Hong Kong, I have been taking part-time teaching jobs and doing what I love most: to spice up the learning experience for kids, making boring activities cool and jolly.

Since Easter is just round the corner, the EATW Easter Camp (EC) will be a super duper fun and exciting learning experience. Focusing on Easter, the EC camp will include interactive activities, worksheets, comprehension, story-telling, role playing and of course, GAMES! Every holiday comes with a story, and Easter is not an exception. Students will have the opportunity to engage in Easter

themed tasks and understand the story behind this bubbly holiday. Excited kids will definitely come home eagerly telling you about the Easter bunnies and funky coloured Easter eggs!

This Easter Camp is solely for p.1 to p.5 kids.

Auntie Liza will take a short break and will resume all classes on 5th April.

All lessons with Auntie Carol remain unchanged. ©

Simply fill out the form and reserve a place as there are limited vacancies per class, all registered on a first-come first-served basis.

Room 1601, One Hysan Avenue, Causeway Bay, Hong Kong
